

Oamaru Steampunk Festival 2019 Accommodation Info

All houses are booked through Greg Murphy from Oamaru Holiday Homes. He's available on 027 5191 890 for emergencies.

Towels, bedding & linen are all provided, if you are on a camp bed for the first night you may want to bring extra.

We need to do dishes & leave the houses in a tidy condition but full cleaning (bathrooms/vacuuming etc) is not required unless we've been particularly glittery.

All have fully equipped kitchens.

Official check in time is 3pm but if we are a bit early it should be ok. Check out time is 10am.

Access info for each property is below plus a link to the listing if you want to check it out.
